Nythfa House is a charming country house on the edge of Brecon within easy reach of the Brecon Beacons National Park and many fine walking areas. The house was built in 1867, and spent many years as a private house before becoming a hotel. Today there are 28 bedrooms, plus a dining room, ballroom and spacious bar. A separate building houses the indoor swimming pool.

The house is surrounded by extensive gardens, including a putting green and croquet lawn.

Like all HF Country Houses, Nythfa House is tailored for walkers and outdoor enthusiasts with boot room, drying room and Discovery Point.
