Web Editor Report

Website

The website is maintained on a regular basis with regular updates of walks, photographs and walking information. Our website is hosted by Ramblers-Webs.org.uk which is funded centrally by Ramblers.

Many thanks to our members who have provided photos of our walks over the last year. The photos showcase the range of walks and the areas we visit, and the photos are the most popular pages viewed on the website.

Our website remains the primary source of information relevant to our Group.
