Dolserau Hall is one of HF Holidays smaller country houses with 21 rooms and is re-opening in spring 2026 after a light refresh. It is a Victorian manor house situated at the southern end of Snowdonia (Eryri) National Park.

It is set in five acres of gardens with views across to Cadair Idris and is surrounded by ancient woods and craggy uplands in all directions.

It has an interesting history more details of which can be found on the website, (link above).
