

Walks and Social Events

August to October 2026

From the Chair

Christine Turner

Hello Severnside!

Our walking is becoming very influenced by the weather, earlier in the year we had lots of wet and windy and now we are enjoying very hot stuff indeed, which is quite a challenge when out for a whole day. Nevertheless, we must remain undeterred and get out and enjoy the beautiful British countryside whilst it's bathed in golden sunshine. Remembering of course to be slathered in sunscreen with a hat and PLENTY of water. For folks attempting longer walks may I also suggest spare socks as keeping your feet clean and dry prevents chafing and blisters.

Thank you to Jean Williams for another seaside day out. The visit to Mumbles for our annual coach excursion was very hot but altogether enjoyable and a great reason to indulge in ice cream at the end of a fabulous day. Thanks Jean.

Our next programme takes us into the latter part of the year, expect cooler weather and beautiful autumnal colours, what better way to enjoy all nature's glory than pulling on a coat and boots and heading for our countryside.

Walks and Social Events Programme

Notes:

Please ensure you are **well equipped with suitable footwear and waterproof clothing**: contact the leader well before the walk if you have any doubts. We assume that walkers are aware the countryside can be muddy after rain so we do not put this on the programme. You should assume there is no pub or café stop if none is mentioned, so **please bring food and drink**, but **never** consume these on pub or café premises. **All walkers should carry their own first aid kit** and this is especially important for leaders.

All walk leaders must be **members and over the age of 18**. Leaders are required to carry with them a **copy of the Accident Form** (obtainable from the Severnside website or contact the Secretary) and a **mobile phone** for emergencies.

No leader can be responsible for **anyone who proceeds ahead** without directions. Registered assistance dogs are welcome, but other dog owners should confirm with the walk leader whether it is appropriate to bring them - the decision is entirely at the discretion of the leader and will be based on their observations of terrain and farm livestock during pre walks - if permitted, dogs should be kept on leads at all times.

Some members like to take photographs on the walks. These often appear on our website. Please advise the leader should you not wish to appear in a photograph.

Non-members are welcome **but after three walks** will be expected to join the Ramblers.
